# WELCOME TO THE TREASURE BOX!

Hey  
Treasure Box pals!

Lumela!  
U amohetsoe ho Lebokoso La  
Letlotlo bakeng sa Malapa!

We are Florence and Watson,  
honey badgers of a very rare sort.  
Singing songs while telling stories  
is our favourite sport.

Everyone has been having a tough time since the Coronavirus came to South Africa. So the *Treasure Box* squad invited us and our friends – Petal the mouse, Lula the giraffe and Buffel the buffalo – to join in this pack, made just for you. It is filled with games for the whole family; older siblings and caregivers, please read aloud to younger learners and assist with the activities.

Let's do our best to keep each other healthy and safe!

Sending lots of love,

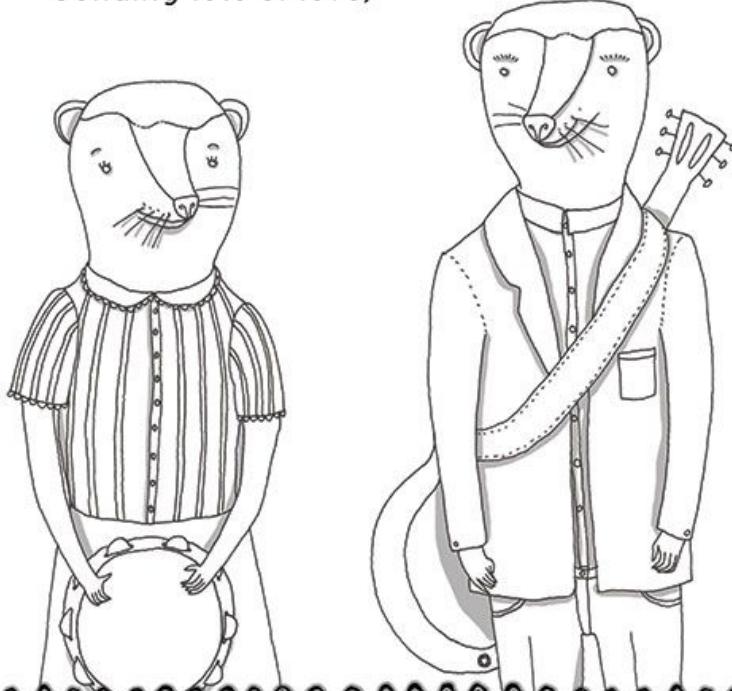

Ke rona Florence le Watson,

Re romella lerato le lengata,

Florence & Watson

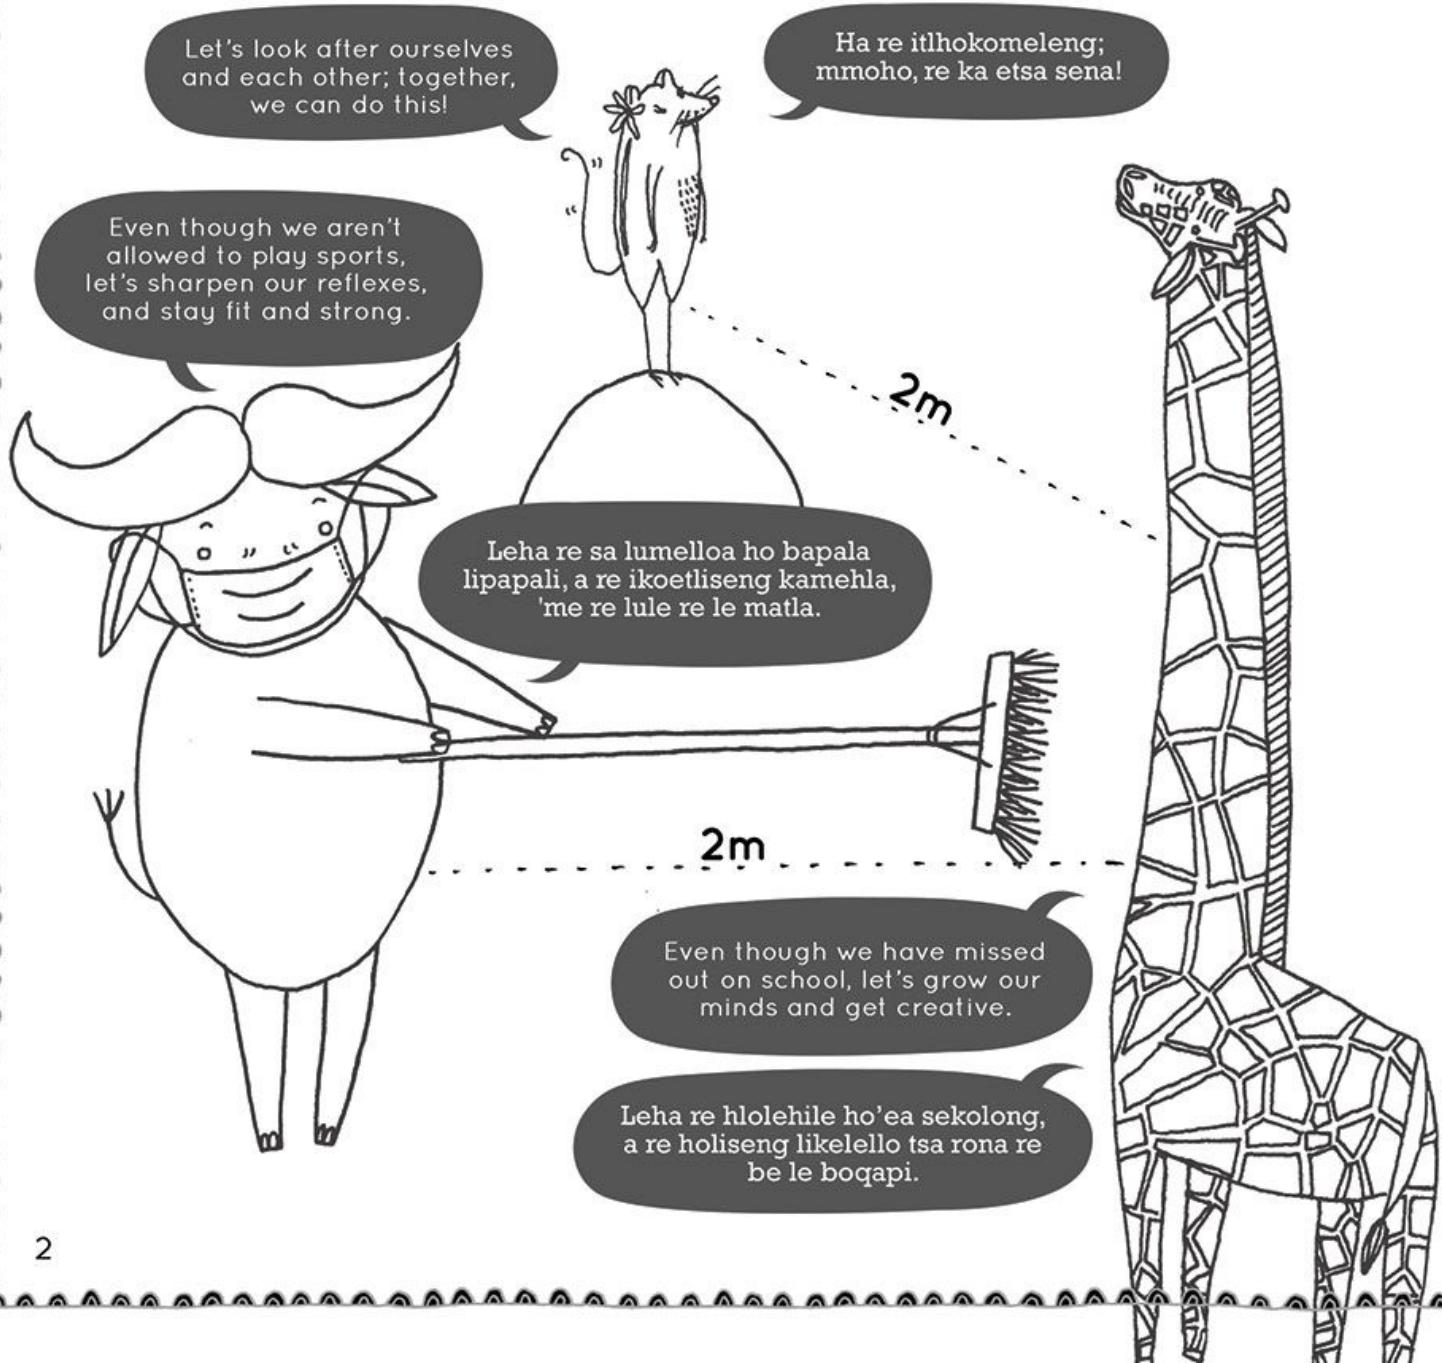

The first *Treasure Box for Families* came out when schools were shut. Now, although they are starting to open, we still need to stay home as much as possible.

This second *Treasure Box* is packed with challenges that you can complete by yourself (ask your siblings or caregiver to help), or with the people you live with. There are also some games you can play with your friends during break time at school (while keeping 2 metres apart from each other) - you can find these at the end; challenges 12 to 14.

# CORONAVIRUS DO'S & DON'TS BOARD GAME

## PAPALI EA BOTO EA 'CORONAVIRUS' (KOKOANA-TLHOKO EA CORONA) DO'S AND DONT'S

Play this game with the people you live with, to learn about how we can protect ourselves and each other from the Coronavirus.

Bapala papali ena le batho bao u lulang le bona, ho ithuta ka hore na re ka itshireletsa joang ho kokoana-tlhoko ea Corona.

## CHALLENGE 1

### HOW TO SET IT UP:

Find the board game on the inside front cover. You will need one token per player (use coins or one of the tokens cut from the back cover of this book), and the dice from the cardboard insert.

To assemble the dice, cut along the solid lines and fold the dotted ones. Then glue or tape the flaps.

### HOW TO PLAY:

- Each player takes a turn to roll the dice, and move that number of squares.
- If you land on an action that prevents the Coronavirus from spreading (a green square), then you can roll again and have another turn.
- If you land on an action that spreads the virus (a brown square), then you miss a turn.
- The first to the end is the winner!

## PHEPHETSO 1

# LET'S KEEP EACH OTHER HEALTHY AND SAFE!

Oh no! The Coronavirus  
is spreading all around us!  
But don't feel the fear or any dread  
'cos we're going to stop that spread instead

All we need is water and soap  
to kill that virus, so there is hope!  
Please ensure everyone understands  
how important it is to wash our hands

The virus spreads through little drops  
That jump out when we sneeze and cough  
so when you leave the house, all I ask  
is that you always, always wear a mask

Let's not give the Virus any opportunity  
to spread as there is no immunity.  
Always keep two metres apart  
And the windows wide open; be smart!

If you need to cough or sneeze  
do it into your arm, not your hands, please  
and if you feel sick, don't go to school  
'cos germ-spreading behaviour just isn't cool.

## TETRIS - BLOCK THE SPREAD!

### CHALLENGE 2

Cut out the colourful shapes from the cardboard insert. (Cut along the solid lines around each colour.) Find a box or bag to keep them in so you can play the game many times.

Put the pieces in a pile. Each player has a turn to pick up a shape from the top of the pile and place it onto the grid from the bottom up. You can rotate a piece in any direction to make it fit; try to place the pieces so that there are no gaps.

Time yourself to see how fast you can get at filling up the grid!

# ALPHABET BINGO!

## CHALLENGE 3

This is a great game to play at home; ask everyone to join in.

### GET READY

You will find everything you need to make the game on page 7, the back cover, and the piece of card in this book.

1. Cut out the four boards on page 7 (cut along the solid lines). Stick them onto cardboard (e.g. from a cereal or washing powder box) to make them stronger.
2. On the back cover of this book you will find the tiles/ tokens; cut them out. Find a box or bag to keep them in so you can play the game many times.
3. Use the dice from the cardboard insert.
4. Arrange all the tiles on a table with the Sugarbush flowers facing up.

### LET'S PLAY THE GAME

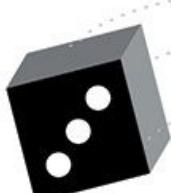

Each player gets a board, and a turn to throw the dice.

Pick up a tile that matches the colour on the dice, and show the picture on the other side to all the players. If the same picture is on your board, place it there. If it's not on your board, put it back in the same spot on the table with the Sugarbush flower facing up.

Grow your memory muscles by remembering where the pictures are, so you can pick one up that matches your board when it's your turn.

First to fill their board shouts BINGO! And is the winner!

Challenge 3 done!

the smarter we become!

A na u ne u tseba hore re khona ho holisa bohlale ba rona? Ha re ntse re ithuta haholo, re etsa liphoso, re leka hape, re ba bohlale ho feta!

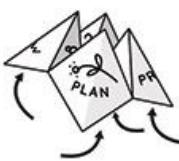

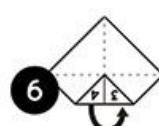

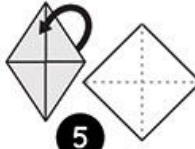

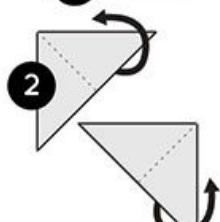

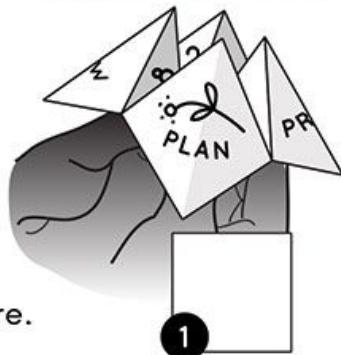

## CHALLENGE 4

### HOW TO MAKE IT

1. Cut out the square on pages 9 and 10.
2. Fold it across the diagonal lines, to make creases across the square.
- 3&4. With the language you want to use facing-down, fold each corner of the square to meet in the middle.
5. Turn the square over.
- 6&7. Fold the corners to meet in the middle again.
8. Fold the small square in half.
9. Insert your thumbs and forefingers from both hands into the corners (hope, dream, plan and practice).
10. Bring all 4 fingers to meet in the middle and you are ready to play!

### HOW TO PLAY

Pick a word. Then, open and close the mind-grower the number of letters in that word. (Eg. 4 times for P L A N). Then, pick a number and open and close the mind-grower that many times. Then pick another number and open and close that many times. Then pick a third number, and open the mind grower to read the message underneath it.

### MATCHBOX OF HOPES AND DREAMS<sup>(1)</sup>

In this challenge you will make an expandable art work of your hopes and dreams for 2020.

You will need an empty matchbox.

Give it a decorative cover.

Then, cut out the strip along the side of this page, and fold along the dotted lines.

Write down your goals and ideas for how to reach them, and decorate each panel.

Glue the last panel to the bottom of the matchbox, and fold your artwork into the box. Keep it safe, to remind yourself of where you're going and how you're going to get there.

### ROLL A STORY

Use the tokens on the back cover of this book. You can play this game by yourself, or with the people you live with each having a turn to throw the dice.

#### HOW TO PLAY:

Arrange the tokens in a row, with the Sugarbush flowers facing up. Throw the dice, move your finger along that number of tokens, and turn the last one over. Now, make up the beginning of a story inspired by the image. Then throw the dice again, and use the next image in the next part of the story. Keep going until you reach the end of the tokens, and use the last image in the story's ending.

### LISTEN LIKE AN OWL

1. Sit with your legs crossed and your spine straight.
2. Close your eyes, and breathe deeply in and out.
3. Now listen to the sounds around you.
4. What sounds can you hear close by?
5. What can you hear further away?
6. Zoom your hearing out as far as you can; what's the furthest thing you can hear?

## CHALLENGE 12

### ZIP ZAP ZOOM

You can play this game with friends during break-time at school. One person will need to read out these instructions to everyone. Ask a teacher or an older learner to help.

1. Form a big circle, standing 2m apart from each other. In this game you will pass claps to each other.
2. One player starts the game by clap-pointing, and saying "Zip" to the person on their left.
3. Keep doing this round the circle, until someone says "Zap" and clap-points to the right.
4. The third type of clap ("Zoom") is to someone in the circle that you are not standing next to.
5. Players can choose to say Zip, Zap or Zoom, with the right clap-point (left, right, or to someone you're not standing next to). When you receive a clap, it's your turn to pass it on.
6. You need to restart if someone claps in the wrong direction.

Make sure you look into each other's eyes before passing. Try doing challenge 11 as a group before doing challenge 12. What's the difference? Then add jumps or squats to the Zip Zap Zooms.

## CHALLENGE 13

### ROLL THE DICE

Use the dice you've made from the cardboard insert to play this game.

#### HOW TO PLAY:

One person is the workout leader, and has the dice for the whole game. He / she is responsible for making sure everyone stays 2m apart from one another. He / she rolls the dice, and calls out the corresponding action:

RUN IN PLACE / MATHA SEBAKENG

TOUCH YOUR TOES / AMA MENOANA EA HAU

FROG JUMPS / LI QOQO QHOMELA

ARM CIRCLES / LI-ARM CIRCLE

STAR JUMPS / LI NALELI QHOMELA

DANCE PARTY! / MOKETE OA MOTJEKO!

## CHALLENGE 14

### THE SOCIAL DISTANCE SHUFFLE<sup>(1)</sup>

The objective of the game is to keep 2m apart while always moving.

#### HOW TO PLAY:

One person is Lula (stand on a chair so you're a tall giraffe). Get a broom so you can measure that everyone is more than 2m apart from one another. (2m is a broom-and-a-bit long, so someone holding onto a broom cannot reach anyone that is 2m away).

Everyone else has to keep moving around the space, while always being equally 2m apart. When there is a gap of more than 2m between people, you need to fill it.

Lula shouts "freeze" at any moment, and calls people out if they don't freeze properly; if they are too close together; or if they are on the edge of a big space which hasn't been filled. Those who are called out sit down on the spot and the others move around them, keeping 2m apart from one another and from them.

Last person left is Lula next!

### ABOUT THIS RESOURCE!

Organisations from the After School sector across the country have collaborated to bring this pack to learners in South Africa as the country grapples with COVID-19. This collaborative effort is powered by the After School Programme Office in the Western Cape Government's Department of Cultural Affairs and Sport, The Learning Trust, ASSITEJ South Africa and Laureus Sport for Good South Africa.

Activities and ideas have been pulled from the Treasure Box portal, a collection of many After School organisations' amazing work, which is all accessible here: **After School Treasure Box**  
<https://thelearningtrust.org/covid-19-treasure-box/>

A big shout of thanks goes out to the organisations who helped with compilation and distribution!
